

A Poem in tribute of Imam Anwar al Awlaki [#Rahimullah](#)

By bro میٹرک فیل پروفیسر

@matricfailoo

You stayed constant on the path

Not contemplating the resulting aftermath

The American Army of shaitaan
Never rest until they caused much harm
But how could they uproot seeds embedded deep
In the soul of the followers who took heed

Your greatest concern was the ummah and it's state
With your words did you seek to illuminate
That is why the disbelievers display such hate
The sea of knowledge you passed on in your lectures
Should be gathered like sparkling drops of sweet nectar

That revives any lost heart appealing to all sectors
It's too late to try to rob the ummah of this treasure
Our humble Shaykh has already gained Allah's pleasure
Scattered pieces of pearls Have reached all over the world

Allah is preparing us for victory beware
For all lives they trample on without care
Oh oppressor wake up from slumber
And realize that your days are numbered
The battle for hearts and minds you won
With that a new life of sunnah was born

The youth began to pledge their allegiance
To him who called to Allah's obedience Surely his family would walk miles
Just to see another one of his smiles
This was a man who did not desire kingdom
His most sought after deed was martyrdom

When death coiled up around you so near
You made hijrah and did not fear
Only the love of Allah did you hold dear
What a loss of a great scholar
Committed by a people who love the dollar
Please don't grieve for he is not dead
His soul is in a green bird, by Allah's pledge

All over Jannah he may fly
His status we could only desire so high
Now that your mission in life is complete
You will find Allah's promises to be true when you meet
May Allah count you as one of the Prophet's Knights
For your part in the believers fight

Peace and tranquility you will find

Beauty beyond what could cross your mind

May paradise be your final abode

For Allah's toil you carried a heavy load

Jahanum for your enemies will be the last bomb to explode

My only gripe is that they placed you at No 2 'most wanted'

The most befitting position is surely No1.
